NAMANU

552 ACRES OF FUN AND ADVENTURE LOCATED AT THE FOOT OF MT. HOOD AND THE BANKS OF THE SANDY RIVER

You're invited to Spring Fling 2014!

Spring Fling Egg Hunt & Open House
Saturday, April 12, 2014, 12:30 p.m. – 3 p.m.

Bring the whole family out to Namanu for a fun-filled afternoon at camp. Our third annual Egg Hunt starts at 12:30 p.m. and will be followed by the opportunity for you to take a tour of Namanu, enjoy songs & s'mores around a campfire, grab a hot dog or hot chocolate, and experience a taste of what summer camp is like. This event is free and no registration is required.

A few select eggs will contain a coupon for a free week of camp! Other eggs will have small prizes enclosed or hold tickets for prizes to redeem at the Camp Store. No egg hunt would be complete without chocolates and candy.

Activities will begin at 12:30 and families are encouraged to the afternoon playing at camp. The event will end at 3:00 p.m.

Since our road into camp is gravel with a few turn outs, we will have a crew of folks helping with traffic control and parking. We will have a shuttle service from a parking area right outside the camp road as well. Please look for staff and volunteers who will be helping with directions. Driving directions can be found below.

Rain boots are strongly encouraged as the meadow can be quite wet during this time of year. All other paths in camp are gravel with a few puddles here and there. Guests with disabilities or those who may need assistance getting around camp and/or navigating stairs, should contact the Camp Fire office for accommodation ahead of time.

Map and Driving directions to Camp Namanu are available here
