Camp Namanu Work Weekend, Summer 2014!
June 20-22, 2014 (tentative schedule below)
Let's hope for dry weather but prepare for rain!

What you should know about the upcoming Work Weekend:

- During our Summer Work Weekend we will have tradition summer camp meals fixed by our famous cooks B'Lou and Jake, with an assortment of other summer staff and volunteers helping with prep and clean up! Since we will be training our summer cooks we will not need additional hands in the kitchen for meals at this work weekend.
- Namanu's Property Manager, Tony Profitt, will be organizing the projects for Saturday. There will be no formal work projects planned for Sunday.
- Please RSVP! We would appreciate as much advanced notice as possible so that we can have a count on how many will be in attendance; this is especially important so that we buy enough food. That said if somehow you forget, "drop ins" are welcome!
- Motivated friends who might appreciate Camp Namanu are welcome!
- Everyone must sign a Participant Agreement which includes a liability waiver and assumption of risk; all those under the age of 18 must be with a parent or guardian.
- Please check in at Raker Lodge, our dining hall, upon arrival and prior to moving into any accommodation. After you have dropped off your belongings in your sleeping space, we ask that you park your car in the upper parking lot at the top of the grand staircase. This will be very important at this weekend as we will have our summer staff already assigned in cabins.
- Please feel free to come for any part or all of the weekend; even if you can only come out for part of Saturday, your energy and efforts are greatly appreciated.
- Please leave all pets at home.
- If you have specific questions or needs please contact Tony at tprofitt@campfirecolumbia.org.
- Please leave your sleeping area swept, bed wiped down with disinfectant, trash emptied, and cabin cleaner than you found it.

What to bring:

- Sleeping bag or sleeping system, pillow.
- Plenty of warm clothes, wool or polypropylene is warmer if it gets wet than cotton.
- Extra changes of clothes.
- Raingear: rain jacket and rain pants.

- Waterproof boots if you have them, plus at least one change of shoes good for uneven and muddy ground.
- Flashlight or headlamp
- Water bottle

Friday, June 20th

Sunday, June 22nd

- 8:30 am Breakfast in Raker Lodge
- 9:30 am Clean and move out of cabins. Wrap up any unfinished projects
- 12 noon Depart Namanu/Free time to wander down to the river or take a short hike with a friend. Please be off site no later than 12 pm so that summer staff can resume staff training. Lunch will not be served on Sunday.

Projects are still being determined, but will likely include painting camp tokens, prep for the summer program, putting up tent and Tipi's , wood splitting and stacking, painting, installing non-skid materials to decks and stairs, and addressing various small construction and maintenance projects.

Thank you in advance for your time and energy!
