Lice Policy & Procedures

Day Camp's lice policy states that children must be bug free in order to attend and/or stay at camp. Therefore, if signs of live bugs are found we will contact the parents/guardians to pick the child up from camp. Staff will perform regular lice checks on children at least once a week – generally on Monday. Staff will handle any findings with the utmost discretion and care for confidentiality. In the case that a staff member finds lice on a child, the staff will notify the Day Camp Director or Assistant Camp Director who will in turn inform the child's parents/guardians. A parent/guardian or authorized adult will need to pick the child up from camp as soon as possible. The child may return once hair has been treated and is bug-free. A Camp Fire employee will confirm this by examining the child's hair upon return.

Snack:

At Day Camp, youth will be offered two snacks per day, one in the morning and one in the afternoon. Camp Fire Columbia uses USDA guidelines to determine nutritional content for snacks. Weekly snack menus are posted on site for your information. If your child has specific food allergies (i.e., nuts, gluten, dairy), please make sure that this information is listed on the Program Participant form and that the Camp Director or Assistant Directors are notified verbally or via email about your child's needs. We can accommodate many allergies and dietary restrictions, but if your child has extreme restrictions you may need to make special arrangements. Please do not send sodas, candy, or gum with your child.

Lunch:

Children are expected to come prepared with their own lunch every day. Lunches should be ready to eat. We do not currently have the space to store lunches in refrigerators or resources to heat up food.

AM Recess & Games:

If children arrive before 8:30am, they will participate in AM recess and games. Children will be given recess time and have the option to play low-activity games, make arts and crafts, have some quiet reading time, etc. Children will be free to float between activities with permission from a Camp Fire staff person.

Unit Meeting:

Every day, children will meet in their age-group unit. These meetings will be used for get-to-know-you games, team-builders, announcements, creating a "unit call", planning skits for closing camp fire, and serving snack.

Opening Campfire (Mondays)/ Closing Campfire (Fridays):

All of camp will come together to celebrate the beginning of the session. During this time children will be given camp expectations, sing songs, share their “unit call”, and be welcomed into the Day Camp community. Similar to opening campfire, every Friday all of camp will come together to celebrate the end of the session with skits, songs, shout-outs, and shares about their favorite moments from the week.

Session Buttons and Day Camp Shirts:

Each child will receive one Day Camp 2018 shirt for the summer. We ask that children wear these on field trip days for safety purposes. At the end of each session, children are given a session button to celebrate their week with Day Camp. Each button is unique to the session and will match the weekly theme. Buttons will be handed out at closing campfire **or** on your child’s last day of camp that session.

All Camp Activities:

During each session there will be a different “All Camp Activity” for all children to participate in. The different activities will be outlined in weekly newsletters and posted on site. These activities may include: talent show, wheels day, park day, field trips, etc.

Unit Activity (AM program block):

Unit activities will occur every morning for 60 minutes in child age-groups. They will meet in these age-group units every morning throughout the week. The Unit Lead and PIKA Instructor will lead an activity based on the weekly theme. Activities include but are not limited to, active games, arts & crafts, science experiments, scavenger hunts, brain games, etc. Curriculum for weekly activities is written by Camp Fire Day Camp staff.

Recharge Hour Activities:

At Camp Fire we believe in using a mix of high and low energy activities through the program day. During recharge hour, children will have the option to choose between a silent space, quiet low-energy activities such as LEGO, fuse beads, puzzles & board games, read aloud, etc., or to choose an outside walk/jog if being active helps them recharge!

Spark Finders – Afternoon Rotations:

Every afternoon the children will sign up for two different rotation activities or “spark finders” planned and led by our afternoon Spark Finder instructors. These activities will fit the weekly theme and are open to children of all ages to sign-up. It is important that our program provides children time to be with youth their age as well as time to work in groups of all ages. We also want to give children options to focus on their “sparks” or activities and subjects that really interest them.

Life Skills:

Participants may take part in discussion and activities about the following topics: self-image and self-improvement, leadership, decision making, communication skills, coping with anxiety and anger, and social skills such as confidence and conflict resolution.

Team Building:

Participants will have many opportunities to work together in groups to further develop social skills and get to know other participants. A minimum of one activity per session will be dedicated to team building.

Behavior Expectations & Management

Behavior Expectations

At Camp Fire we expect behavior that is **respectful, responsible, and safe**. Staff and children are asked to follow these three basic guidelines. Our goals are to provide an environment where all of our children and camp staff can build lasting relationships, express themselves freely, and explore various local resources to learn and grow.

Harassment and Bullying Policy

Camp Fire has a zero tolerance policy for harassment or bullying behaviors and will not tolerate any types of harassment or bullying behaviors involving any children or staff. Please express to your child that if they feel threatened to immediately report to a camp staff member.

Harassment or bullying behaviors will be handled immediately with disciplinary actions up to and potentially including dismissal from camp as determined by the Camp Director. Any expenses and transportation related to early dismissal from camp, for any reason, are the responsibility of the parents/guardians.

Discipline Policy

It is the intent of Camp Fire to provide a safe environment for participants in our Summer Day Camp program. Our Camp Fire staff take a developmental approach when dealing with unacceptable behavior. We view conflict as an opportunity to help young people learn more effective strategies for conflict resolution, communication, and management of emotions. If a participant is disrupting the program, creating an unsafe condition, or displaying a disrespectful demeanor to Camp Fire staff or peers, the participant may be removed from the program. Typically we follow a 3-occurrence system to determine dismissal and recognize that all behavioral issues, even if repeated, should not necessarily result in removal from program. We make every attempt to work with the child and family to support improved positive behavior.

Discipline Procedure:

- **1st Major Occurrence:** Camp Fire staff will warn child and Day Camp Leadership will contact parents/guardians to discuss problem behavior.
- **2nd Major Occurrence:** Child's second warning, parents/guardians, Camp Fire Multi-site Coordinator (MSC), and/or Program Director will be notified to discuss problem behavior. A possible program suspension and a behavioral contract may be suggested.
- **3rd Major Occurrence:** The child will be withdrawn from the program and will not be able to return. Parents/Guardians, MSC, and Program Director will be contacted.

Camp Fire has a zero tolerance policy for violence. If your child engages in a violent act causing possible harm to another participant or staff person, they may be immediately suspended for at least one day of program and possibly removed from the program indefinitely. Please discuss with your Day Camp Director and observe specific expectations posted at individual sites.

No refunds will be given for discipline related suspensions from Day Camp. Camp Fire reserves the right to revoke financial aid to children who are suspended for discipline issues from the Day Camp program.
