Anti-Vaccine Policy:

Per Oregon Office of Child Care rules, all children joining us this summer must have all their vaccines up-to-date or have a non-medical exemption form from their doctor. **This information must be shared with the Registrar a week prior to session start or your child cannot attend Summer Day Camp.** If we suspect a breakout of a **highly infectious disease**, children without vaccinations will be sent home for the remainder of the week for their safety. If your child does need to be sent home due to an outbreak, there will be no refunds or pro-rated fees.

Accidents & Emergencies:

In the event of an accident, first aid will be administered and an incident report will be completed by Camp Fire staff. Parents/Guardians will be notified as soon as possible after managing the child's immediate needs. In case of an emergency, the program will call 911 and contact the parents/guardians then emergency contacts provided with the child's registration. Summer Day Camp will practice regular emergency drills including fire, earthquake, and lock down drills throughout the summer. Camp Fire's emergency response procedures are aligned with the procedures outlined with WLWV and PPS school districts. Staff are trained in first aid, CPR, and emergency responsiveness. Procedures are posted on site.

Medications:

Before the dispersal of medication at Summer Day Camp the parents/guardians must complete and sign a medication dispense form – this form will be available to fill out on site. Medication, prescription or over-the-counter, must:

- Be handed to a Summer Day Camp staff member at the sign-in table on the first day of camp.
- Be in its original container.
- Include the child's name.
- Indicate proper dosages.
- Include specific written instructions for use that align with directions printed on the label.
- Be listed and described on the Registration Form during time of registration.

Sunscreen:

Sunscreen requires a release form and must be managed by Summer Day Camp staff. You will be asked to sign a sunscreen release form to indicate the use of sunscreen provided by Camp Fire, or to supply your own.

Allergies:

- Any child with known allergies that could lead to severe allergic reactions must bring an appropriate treatment kit to camp and have a completed medication form.
- Any child with asthma must bring medication for treatment. Even if the child has not needed this medication recently, camp activities/locations, heat, and dust can aggravate symptoms.
- Food allergies or any dietary needs must be indicated during the registration process on the Registration Form.

Lice Policy & Procedures:

Camp Fire's lice policy states that children must be bug free in order to attend camp. Therefore, if signs of live bugs are found we will contact the parents/guardians to pick the child up from camp. Staff will perform regular lice checks on children at least once a week – generally on Monday. Staff will handle any findings with the utmost discretion and care for confidentiality. In the case that a staff member finds live lice on a child, the staff will notify the Day Camp Director or Assistant Day Camp Director who will in turn inform the child's parents/guardians. A parent/guardian or authorized adult will need to pick the child up from camp as soon as possible. The child may return once hair has been treated and is bug-free. A Camp Fire employee will confirm this by examining the child's hair upon return.

Snack:

At Summer Day Camp, children will be offered two snacks per day, one in the morning and one in the afternoon. Camp Fire uses USDA guidelines to determine nutritional content for snacks. Weekly snack menus are posted on site for your information. If your child has specific food allergies (i.e., nuts, gluten, dairy), please make sure that this information is listed on the Registration Form and that the Day Camp Director or Assistant Day Camp Directors are notified verbally or via email about your child's needs. We can accommodate many allergies and dietary restrictions, but if your child has extreme restrictions you may need to make special arrangements. Please do not send sodas, candy, or gum with your child.

Lunch:

Children are expected to come prepared with their own lunch every day. Lunches should be ready to eat. We do not currently have the space to store lunches in refrigerators or resources to heat up food.

AM Recess & Games:

If children arrive before 8:30am, they will participate in AM recess and games. Children will be given recess time and have the option to play low-activity games, make arts and crafts, have some quiet reading time, etc. Children will be free to float between activities with permission from a Summer Day Camp staff member.

Unit Meeting:

Every day, children will meet in their age-group unit. These meetings will be used for get-to-know-you games, team-builders, announcements, creating a “unit call”, planning skits for closing campfire, and serving snack.

Opening Campfire (Mondays)/ Closing Campfire (Fridays):

All of camp will come together to celebrate the beginning of the session. During this time children will be given camp expectations, sing songs, share their “unit call”, and be welcomed into the Summer Day Camp community. Similar to opening campfire, every Friday all of camp will come together to celebrate the end of the session with skits, songs, shout-outs, and shares about their favorite moments from the week.

Summer Day Camp Shirts:

Each child will receive one Summer Day Camp 2020 shirt for the summer. We ask that children wear these on field trip days for safety purposes.

All Camp Activities:

During each session there will be a different “All Camp Activity” for all children to participate in. The different activities will be outlined in weekly newsletters and posted on site. These activities may include: talent show, wheels day, park day, field trip, etc.

Unit Activity (AM program block):

Unit activities will occur every morning for 60 minutes in child age-groups. The Unit Lead and PIKA Instructor will lead an activity based on the weekly theme. Activities include but are not limited to, active games, arts & crafts, science experiments, scavenger hunts, brain games, etc. Curriculum for weekly activities is written by Summer Day Camp staff.

Chill Hour Activities:

At Camp Fire we believe in using a mix of high and low energy activities through the program day. During chill hour, children will have the option to choose between a silent space, quiet/low-energy activities such as LEGO, fuse beads, puzzles & board games, read aloud, etc., or to choose an outside recess if being active helps them recharge!

Spark Finders – Afternoon Rotations:

Every afternoon the children will sign up for one specialty activity or “spark finder” planned and led by our afternoon Spark Finder instructors. These all-ages activities will weave in facts about influential people related to the weekly theme whether it is an art project, STEM or active option. It is important that our program provides children time to be with children their age as well as time to interact in groups of all ages. Spark Finders are designed with that in mind and each activity will have a variety of accommodations and extensions to meet the interests of all students involved.

Maker’s Hour:

Our Maker’s Hour is new to Camp and Full Day Programming. This is an opportunity to use engaging Maker’s Hour Only materials in the field of STEM, Arts/Crafts, and Large Motor Activities. This hour is for creating, exploring and collaborating and allows each camper to increase their exposure to supplies and materials that aren’t available throughout the day in a camper-led environment.

Life Skills:

Children may take part in discussion and activities about the following topics: self-image and self-improvement, equity and inclusion, diversity, leadership, decision making, communication skills, coping with anxiety and anger, and social skills such as confidence and conflict resolution.

Team Building:

Children will have many opportunities to work together in groups to further develop social skills and get to know other children. A minimum of one activity per session will be dedicated to team building.

Behavior Expectations & Management

Behavior Expectations:

At Camp Fire we expect behavior that is respectful, responsible, and safe. Summer Day Camp staff and children are asked to follow these three basic guidelines. Our goals are to provide an environment where all of our children and Summer Day Camp staff can build lasting relationships, express themselves freely, and explore various local resources to learn and grow.

Harassment and Bullying Policy:

Camp Fire has a zero-tolerance policy for harassment or bullying behaviors and will not tolerate any types of harassment or bullying behaviors involving any children or Summer Day Camp staff. Please express to your child that if they feel threatened to immediately report to a Summer Day Camp staff member. Harassment or bullying behaviors will be handled immediately with disciplinary actions up to and potentially including dismissal from camp as determined by the Day Camp Director. Any expenses and transportation related to early dismissal from camp, for any reason, are the responsibility of the parents/guardians.

Discipline Policy:

It is the intent of Camp Fire to provide a safe environment for children in our Summer Day Camp program. Our Summer Day Camp staff take a developmental approach when dealing with unacceptable behavior. We view conflict as an opportunity to help children learn more effective strategies for conflict resolution, communication, and management of emotions. If a child is disrupting the program, creating an unsafe condition, or displaying a disrespectful demeanor to Summer Day Camp staff or peers, the child may be removed from the program. Typically, we follow a 3-occurrence system to determine dismissal and recognize that all behavioral issues, even if repeated, should not necessarily result in removal from program. We make every attempt to work with the child and family to support improved positive behavior.

- **Discipline Procedure:**
 - **1st Major Occurrence:** A Summer Day Camp staff member will warn child and Day Camp Director will contact parents/guardians to discuss problem behavior.
 - **2nd Major Occurrence:** Child's second warning, parents/guardians, Day Camp Director and Camp Fire's Multi-site Coordinator (MSC), will be notified to discuss problem behavior. A possible program suspension and a behavioral contract may be suggested.
 - **3rd Major Occurrence:** The child will be withdrawn from the program and will not be able to return. Parents/Guardians, Day Camp Director, MSC, and BAS Program Director will be contacted.
- **No refunds will be given for discipline related suspensions from Summer Day Camp. Camp Fire reserves the right to revoke financial assistance to children who are suspended for discipline issues from the Summer Day Camp program.**

Camp Fire has a zero-tolerance policy for violence. If your child engages in a violent act causing possible harm to another child or Summer Day Camp staff member, they may be immediately suspended for at least one day of program and possibly removed from the program indefinitely. Please discuss any questions or concerns with the Day Camp Director and observe specific expectations posted at individual sites.

Licensing:

Camp Fire's Summer Day Camp is a state-certified child care center, licensed through the Oregon Office of Child Care (OCC). The most current certification and inspection reports issued from the Oregon Office of Child Care are available for review on site. Parents/Guardians may contact our current licensing specialist Amber Bayker, amber.bayker@state.or.us, 503.669.7112 X357.

Grievance Procedure:

Camp Fire recognizes that disputes may arise. If you have a concern or complaint, please follow these steps:

1. Verbal discussion with Day Camp Director
2. Verbal discussion with Multi Site Coordinator
3. Verbal discussion with Before & After School Program Director
4. Verbal discussion with CEO of Camp Fire Columbia.
