

WLWV After School Care FAQ

Will WLWV After School Care cover the hybrid 1/2 days on Fridays?

Camp Fire's monthly tuition will cover the care for your child's cohort days and the alternating Fridays.

How have the activities provided, hours of operation, prices, etc. changed for After School Care in comparison to pre-pandemic Before & After School programming?

Program changes are primarily around health and safety guidelines. All participants and staff will wear masks; family members will not be able to enter program spaces; and supplies and materials will be sanitized throughout the day. For a complete list of health and safety guidelines for licensed child care please visit <https://oregonearlylearning.com/COVID-19-Resources>.

After School Care will take place Monday – Friday (children will be scheduled for their cohort days) from 1:30pm – 6:00pm and will be \$335 per child per month. The program activities will be designed and implemented by on-site, program staff and will be created based on the children's interests following a comprehensive, club-style format.

Where am I on my school's waiting list?

Please refer to the email, "Camp Fire Lottery Results", that we sent on July 22, 2020 to find the information associated with your child's placement on their school's waiting list.

If I don't need care now, but might want it later this school year, will I keep my waiting list spot?

If you receive a placement offer for your child but do not currently need care, you can request a freeze on their waiting list position. The freeze will be set to a date of your choosing so that your child does not lose their position on the waiting list and so you do not continue to receive offers while you are not needing them. A freeze does not ensure that there will be an opening for your child after the set date; just that they will be considered for openings after that date.

Will families who are currently enrolled in WLWV's Essential Worker Child Care be given any priority for After School Care with hybrid learning?

No, child care waiting lists were formed in July 2020 by prioritizing essential workers and holding a random lottery for each school. Please refer to the July 22, 2020 email "Camp Fire Lottery Results" for your child's placement on their school's waiting list.

(priority for WLWV's Essential Worker Child Care families continued)

If you are needing to add your child to their school's waiting list for WLWV After School Care, you can do so through your [Family Portal](#) (returning families) or by visiting our [registration page](#) (new families).

Will there be both before and after school care options?

No, to support the WLWV district plans to return back to school, Camp Fire will only be able to offer After School Care at this time.

Will Camp Fire offer full day programs for students on their Comprehensive Distance Learning Days?

No, Camp Fire programs will only be able to offer PM programming, on children's in-school days, at this time. The WLWV School District will not allow full day programs in the school buildings due to physical distancing needs, bathroom use, and other factors associated with building use guidelines during hybrid learning and COVID-19.

Will you be offering full day care for in-service days and Spring Break?

No, due to staffing constraints and to support stable group cohorts, we will not be offering in-service or Spring Break programs this year.

When will we get our annual registration fee returned?

The \$55 annual registration fee is non-refundable during the school year. If your child does not participate in any Camp Fire programming throughout the school year, the fee will be refunded in June. **We ask that you consider donating your registration fee this year as COVID-19 and school closures have greatly impacted the financial health of Camp Fire.**

When will enrollment open for Summer Day Camp in West Linn?

Summer Day Camp programs are being planned right now and interest lists are being formed. Please use your [Family Portal](#) (returning families) or visit our [registration page](#) (new families) to sign-up for West Linn's Summer Day Camp Interest List.
